

	<p>Carlton Gardens Primary School Excursion Policy</p>	<p>Authorisation March 2015 Review 2018</p>
-----------------------------------------------------------------------------------	-----------------------------------------------------------------------	------------------------------------------------------------

Purpose:

The school's excursion program enables students to further their learning and social skills development in a non-school setting. Day excursions complement, and are an important aspect of the educational programs offered at our school.

Aim:

- To reinforce, complement and extend learning opportunities beyond the classroom.
- To develop an understanding that learning is not limited to school, and that valuable and powerful learning takes place in the real world.
- To give students the opportunity to hear from and work with experts in their field of study.

Implementation:

When obtaining parental consent it is important that the permission slip has sufficient information to allow parents to make an informed decision about whether to permit their child to participate in the activity. The consent form should include information about the nature of the proposed activity, degree of supervision and the risks involved. It is also recommended that the permission slip also provide a contact person at the school in case parents require further information.

Schools Principals and staff have a legal duty to take reasonable care to warn students and their parents of reasonably foreseeable risks of injury. By providing parents and students with sufficient information about the activity, the school staff are discharging this duty and minimising their potential legal exposure. It also ensures that parents' expectations are appropriately managed.

The principal is responsible for the approval of all non-adventure single-day excursions other than those that must approved by the School Council.

School Council is responsible for approval of all overnight excursions; camps; interstate and overseas visits; excursions requiring sea or air travel; excursions involving weekends or vacations; and adventure activities. Council approved excursions are detailed in the '*Outdoor Education*' policy.

A designated 'Teacher in Charge' will coordinate each day excursion.

Schools must:

- ensure that the teacher-in-charge takes the medical information forms on the excursion
- ensure these forms are available to other excursion staff in emergency situations

- endeavours not to exclude students simply for financial reasons. Parents experiencing financial difficulty, who wish for their children to attend a day excursion, will be required to discuss their individual situation with the Principal. Decisions relating to alternative payment arrangements will be made by the Principal on a case-by-case basis.
- ensure all families will be given sufficient time to make payments for excursions. Children whose parents have not paid deposits by the due date, who do not make full payment by the due date, or who have not made alternative arrangements with the Principal will not be eligible to attend.
