Purpose:

The school's incursion program enables students to further their learning by complementing classroom lessons with experts and resources from outside the immediate school community. Incursions complement, and are an important aspect of the educational programs offered at our school. An incursion is an activity that involves school visitors who provide a performance, lesson or service for students.

Aim:

- To reinforce, complement and extend the learning opportunities beyond the classroom.
- To develop an understanding that learning is not limited to school and teachers, and that valuable and powerful learning is often achieved with other people and experiences.

Implementation:

- All incursions must be approved by a member of the Leadership Team to ensure there are cost neutral and that they complement the curriculum and comply with all DET requirements.
- All incursions must be approved at least two weeks prior to running. Where an incursion approval form has not been submitted, that incursion will not run, unless special circumstances are pending. This decision will be made by the Principal who will consider the educational outcome of the incursion as well as the impact on the school for the proposed date.
- All incursions will be attended by school staff to ensure appropriate supervision of students at all times. In the event of an accident or emergency the teacher in charge will be responsible for the administration of first aid, and will contact parents as appropriate. In the event that parents cannot be contacted, the teacher in charge will follow first aid and emergency policies as set out by the school.
- All efforts will be made not to exclude students simply for financial reasons. Parents experiencing financial difficulty, who wish for their children to attend an incursion, are invited to discuss alternative arrangements with the Business Manager. Decisions relating to alternative payment arrangements will be made by the Business Manager in consultation with relevant staff, on an individual basis.
- All families will be given sufficient time to make payments for incursions. Parents will be provided with permission forms and incursion information clearly stating payment finalisation dates. Student payments not finalised prior to the incursion will not be allowed to attend unless alternative payment arrangements have been organized with the Business Manager.
- Office staff will be responsible for managing and monitoring the payments made by parents and will provide organising teachers with detailed records on a regular basis.
- A designated "Teacher in Charge" will coordinate each incursion.
- The Teacher in Charge must provide the Office with a final student list. This list must also include the location of students not involved in the incursion.
- Students not attending the incursion will be provided with suitable alternative activities.
- Where applicable, students must have returned a signed permission note and payment to be able to attend the incursion.

Duty of Care:

- Be aware that an incursion with an external provider does not absolve supervision duties of the teacher, including first aid duties. A teacher must be present at all times and remain the person designated with duty of care responsibilities.
- Be aware that incursions require the teacher to fully comply with DET guidelines and brings with it an increased duty of care. It is a teacher's responsibility to be aware of these guidelines and remain the person designated with duty of care.
- Be aware that school policy is for students to be counted and at other times on a regular basis whilst participating in the incursion.
- Arrangements will be made for students not attending the incursion to continue their normal program at school under supervision of another classroom teacher.

Evaluation

This policy will be reviewed as part of the school's three year review cycle.
