Dear parents and students,

The Junior School Council have been working really hard throughout term 2. We would like to announce that we`ll be having a Technology Day on the 1<sup>st</sup> of September to raise money for the Junior School Council. The money raised from this Technology Day will be used to buy a new sick bay bed for anyone who is injured or sick.

On this day only, you are allowed to bring a Nintendo DS, a PSP, an i-Pod, i-Pad or any portable device (Note: You are not allowed to bring mobile phones) Carlton Gardens Primary School will not be responsible for any lost, stolen or broken devices. We would like to remind you that use of technology during class is not allowed (so the learning of the children is not distracted.)The devices will be locked up during class hours and unlocked during recess and lunch. Please also make sure your equipment is charged!!!

**Please note that a gold coin donation is a priority and is a must! Children are expected to bring one coin per piece of technology.**

The note must be signed for you/your child to be able to bring technology.
