Purpose:

To explain to our school community the processes and procedures Carlton Gardens Primary School will use when planning and conducting camps, excursions and adventure activities for students.

Scope:

This policy applies to all camps and excursions organised by Carlton Gardens PS. This policy also applies to adventure activities organised by Carlton Gardens PS, regardless of whether or not they take place on or off school grounds, and to school sleep-overs.

This policy is intended to complement the Department's policy and guidelines on excursions, camps and adventure activities which all Victorian government schools are required to follow. Carlton Gardens Primary School will follow both this policy, as well as the Department's policy and guidelines when planning for and conducting camps and excursions.

This policy does not apply to student workplace learning or intercampus travel.

Definitions:

Excursions:

For the purpose of this policy, excursions are activities organised by the school where the students:

- are taken out of the school grounds (for example, a camp, day excursion, school sports);
- undertake adventure activities, regardless of whether or not they occur outside the school grounds;
- Attend school 'sleep-overs' on school grounds

Camps are excursions involving at least one night's accommodation (including school sleep-overs).

Local excursions are excursions to locations within walking distance of the school and do not involve 'Adventure Activities'.

Adventure activities are activities that involve a greater than normal risk. Further information and examples of adventure activities are available on the Department's Policy and Advisory Library, at the following link:

https://www2.education.vic.gov.au/pal/excursions/guidance/adventure-activities

Policy:

Camps and excursions can provide a valuable educational experience for our students which are complementary to their learning, as they provide access to resources, environments and expertise that may not be available in the classroom.

Camps and excursions:

- provide students with the opportunity to participate in a camping program that is linked to social, cultural and educational outcomes for students.
- provide shared class and year level experiences, team building and a sense of group cohesiveness.
- reinforce and extend classroom learning.
- provide a program that delivers skills and knowledge that may lead to a lifelong involvement in worthwhile leisure pursuits.
- provide a program that promotes self-esteem, resourcefulness, independence, leadership, judgement, cooperation and tolerance.
- further develop the students' problem solving and life survival skills.
- extend understanding of their physical and cultural environment.

For all camps and excursions, including adventure activities, our school will follow the Department's Policy and Advisory Library: Excursions.

Organisation:

- All food, equipment, staffing, organization of activities and student management procedures must be addressed prior to the camp. Consideration needs to be given to students with special dietary and medical requirements. Parents should notify the staff in writing regarding special dietary and medical requirements when returning consent forms.
- Office staff will be responsible for managing and monitoring the payments made by parents and will provide organizing teachers with detailed records on a regular basis.
- The Teacher in Charge must provide the Office with a final student list. In the case where a camp involves a particular class or year level group, the organizing teacher will ensure that there is an alternative program available for those students not attending the camp.
- The school will provide a mobile phone and first aid kit for each camp. The teacher in charge is responsible for collecting these prior to leaving.
- All staff members must be aware of the increased duty of care.
- The teacher in charge will ensure that student medical forms are available at the site and all camp staff are aware of special medical issues or medication requirements of any student.
- One staff member will be designated to take responsibility for administering student medication if required; (following consultation with parents and/or appropriate medical practitioners).

Planning process for camps and excursions

All camps and excursions will comply with Department planning requirements.

Part of this planning process includes conducting risk assessments, to ensure that reasonable steps are taken to minimise the risks associated with each proposed camp or excursion. Carlton Gardens PS's risk assessment will include consideration of arrangements for supervision of students and

consideration of the risk of bushfire activity in the excursion location. In the event of a Code Red Day being announced, excursions or camp activities in affected locations will be cancelled or rescheduled. Planning will also cover arrangements for cancelling, recalling or altering the camp or excursion for any other reason.

Carlton Gardens Primary School is committed to ensuring students with additional needs are provided with an inclusive camps and excursions program and will work with families during the planning stage, as needed, to support all students' attendance and participation in camp and excursion activities.

In cases where a camp or excursion involves a particular class or year level group, the Organising Teacher will ensure that there is an alternative educational program available and appropriate supervision for those students not attending the camp or excursion.

Supervision

Carlton Gardens Primary School follows the Department's guidelines in relation to supervision of students during excursions and camps.

All excursion staff (including parent volunteers) will be familiar with supervision requirements and the specific procedures for dealing with emergencies on each camp and excursion.

All school staff will be aware that they retain overall responsibility for the supervision and care of students throughout all camps and excursions (including adventure activities), regardless of whether or not external providers are managing the activity.

Parent volunteers

Parents may be invited to assist with camps and excursions. School staff will notify parents/carers of any costs associated with attending. School staff are in charge of camps and excursions and parent/carer volunteers are expected to follow teachers' instructions. When deciding which parents/carers will attend, the Organising Teacher will take into account: any valuable skills the parents/carers have to offer (e.g. bus licence, first aid & working with children check etc.) and the special needs of particular students.

Volunteer and external provider checks

Carlton Gardens Primary School requires all parent or carer camp or excursion volunteers and all external providers working directly with our students to have a current Working with Children Check card.

Parent/carer consent

For all camps and excursions, other than local excursions, Carlton Gardens Primary School will provide parents/carers with a specific consent form outlining the details of the proposed activity. Carlton Gardens Primary School uses Compass to inform parents about camps and excursions and to seek their consent, if not accessible a note will be sent home asking parents/carers to return the part of the note that asks for parents/carers signature confirming they consent to their child's participation. Parents/carers are encouraged to contact the school to discuss any questions or concerns that they or their child may have with a proposed camp or excursion.

For local excursions, Carlton Gardens Primary School will provide parents and carers with an annual Local Excursions consent form at the start of each school year or upon enrolment if students enrol during the school year. Carlton Gardens Primary School will also provide advance notice to parents/carers of an upcoming local excursion through compass, seesaw, or note home. For local excursions that occur on a recurring basis (for example weekly outings to the local oval for sports lessons), Carlton Gardens Primary School will notify parents once only prior to the commencement of the recurring event.

Parent Payments for camps and excursions

Most camps and excursions provided by Carlton Gardens Primary School enhance and broaden the schooling experience of our students but are not a mandatory component of our curriculum. These activities are provided on a user-pays basis in accordance with the Department's Parent Payments Policy.

Consent forms will have clearly stated payment amounts and finalisations dates, and families will be given sufficient time to make payments.

Students who have not finalised payment by the required date for camps and excursions provided on a user pays basis will not be able to attend unless the Principal determines exceptional circumstances apply.

Where a camp or excursion is provided as part of the standard curriculum requirements, parents may be invited to make a voluntary contribution but all students will be able to attend regardless of whether their parents contribute.

Financial Help for Families

Carlton Gardens Primary School will make all efforts to ensure that students are not excluded for financial reasons. Families experiencing financial difficulty are invited to discuss alternative payment arrangements with the Business Manager/Principal/Organising Teacher. The Business Manager/Principal/Organising Teacher can also discuss family eligibility for the Department's Camps, Sports and Excursions Fund (CSEF), which provides payments for eligible students to attend school activities, including camps and excursions. Applications for the CSEF are open to families holding a valid means-tested concession card or temporary foster parents and are facilitated by the school. Further information about the CSEF and the application form are available at Camps, Sports and Excursions Fund.

Refunds

If a camp or excursion is cancelled or altered by the school, or a student is no longer able to attend part or all of the camp or excursion, our school will consider requests for partial or full refunds of payments made by parents/carers on a case-by-case basis taking into account the individual circumstances. Generally, we will not be able to refund payments made for costs that have already been paid where those funds have already been transferred or committed to a third party and no refund is available to the school. Where possible, we will provide information about refunds to parents/carers at the time of payment.

Student health

Parents and carers need to ensure the school has up-to-date student health information prior to camps and excursions. A member of staff will be appointed with responsibility for the health needs of the students for each camp/excursion. Teachers will administer any medication provided according to our *Medication* policy and the student's signed *Medication Authority Form*. To meet the school's obligations relating to safety, a first aid kit and mobile phone will be taken by teachers on all camps and excursions.

It is the responsibility of parents and carers to ensure their child/children are in good health when attending excursions and camps. If a student becomes ill during a camp and is not able to continue at camp it is the parent/carer's responsibility to collect them and cover any associated costs. If the Principal approves a student joining a camp late, transport to the camp is the parent/carer's responsibility.

Behaviour expectations

Students participating in camps and excursions are required to cooperate and display appropriate behaviour to ensure the camp or excursion is a safe, positive and educational experience for all students involved.

Parents/carers will be notified if their child is in danger of losing the privilege to participate in an excursion or camp due to behaviour that does not meet the standards of behaviour set out in the school's *Student Wellbeing and Engagement Policy.* The decision to exclude a student will be made by the Principal or Assistant Principal, in consultation with the Organising Teacher. Both the parent/carer and the student will be informed of this decision prior to the camp or excursion.

If on a camp or excursion the Teacher in Charge considers an individual student's behaviour does not meet required standards, then the Principal or their nominee may determine that a student should return home during the camp or excursion. In these circumstances the parent/carer is responsible for the collection of the student and any costs associated with this.

Disciplinary measures apply to students on camps and excursions consistent with our school's *Student Wellbeing and Engagement Policy, Student Code of Conduct* and *Bullying Prevention Policy*.

Electronic Devices

Students will not be permitted to bring electronic devices to camps or excursions except with prior approval from the Principal. The Principal will only approve students bringing electronic devices to a camp or excursion in exceptional circumstances and when it is in the best interests of the student, and may place conditions on its location and use during the camp or excursion.

Food

Students will be advised on if food is or isn't to be brought on the camp or excursion depending on the event itself. In the event where it is not permitted, consideration will be given to students with special dietary and medical requirements. Parents should notify the staff in writing regarding special dietary and medical requirements when returning consent forms.

Accident and Ambulance Cover

Any costs associated with student injury rest with parents/carers unless the Department is liable in negligence (liability is not automatic).

Unless otherwise indicated, Carlton Gardens Primary School and the Department do not provide student accident or ambulance cover. Parents/carers may wish to obtain student accident insurance cover and/or ambulance cover, depending on their health insurance arrangements and any other personal considerations. Where there is a greater than normal risk, the school may obtain travel insurance depending on the event (eg. interstate or overseas trips.)
